1. After examining reference, it is our impression that we are at present complying with the stipulations outlined in para. 1. In reference to para. 2, this station has in the past submitted a progress report on or before the 10th of each month covering the activities of each basic project during the previous calendar month. We would prefer to consider the section of this project report concerning DTLINEN to be sufficient compliance with your request in para. 2 of reference. Should this not in any way meet with your desires in the matter, we can, of course, submit a special DTLINEN report.
